

# Another Reason To Attend McCoy Chapter's Reno Rendezvous

September 28 - 30, 2010,  
Eldorado Hotel, Reno, Nevada

Opal and Earl will attend...

"Pickles" creator Brian Crane will be one of our guest speakers. His award winning cartoon is syndicated in over 400 newspapers around the world. We ARE Opal and Earl!

Brian will sell copies of his cartoon books and autograph them personally. Sounds like a great gift idea for Christmas or Birthdays, especially for our kids, so they'll understand why we act as we do.

Registration is only \$50 per person (\$45 if you register before July 1st), which includes a dinner at the Eldorado Buffet and seeing "La Grande Cirque" in their famous showroom. Register using the form in the May issue of The Real McCoy. If you have misplaced the newsletter, e-mail Don Zerwer and he'll e-mail you another copy of the form. Hotel rooms are under \$50 per night. Phone the Eldorado Hotel soon at (800) 648-5966 for this special rate. Mention our group rate code: MYMCA10.

Full details, including the program schedule and another registration form, will be in the August issue of The Real McCoy.

Don't wait, sign-up now for two fun-filled days and nights.
