Dear EAF Reps, Chapter Presidents & Editors, AYR Officers and VIPs,

A week ago I received the EAF statistics on the 2011 campaign from AYP, and as anticipated we fell below our banner year of 2010. We began two months earlier in 2012, to insure a 'New Record'.

On January 26 our new EAF board of directors met and approved a grant for Gladys Brumfield of the Schreiner AYR Chapter. Our contributions will make this possible. We actually awarded more in grants than we received in gifts in 2011, made possible by our invested Trust Fund.
